

## Capturing Moments in Time: PSI India Photo Quest 2021

---

New PSI India announced the Photo Quest initiative to encourage people working across issues across geographies to capture their work through the photographs. The contest invited entries under four categories of; 1) Services & Product, 2) Demand Generation, 3) Portrait of Sarita/family and 4) Enabling Environment.

Consent was made a mandatory requirement to qualify for the contest. A whopping 145 entries, from projects across PSI India and across themes made it to the contest. The contest was open to the field staff and more than 50% of the entries came from them. Nine winners were selected representing all the categories. Do check out all the winning photographs sprinkled across the the website.
