Population Services International (PSI) India is a non-profit, non-governmental organization dedicated to ensuring accessible and affordable healthcare for vulnerable populations in India, thereby improving their quality of life and well-being. Established in 1980 under the India Societies Act of 1860, PSI India began implementing full-scale activities in 1988. Over the past thirty-seven years, PSI India has demonstrated unwavering dedication and strong expertise in program implementation, planning and policy, research and evaluation, social behaviour change communication, and strategies for building habitable, sustainable, and healthy cities. PSI India has positively impacted the lives of millions across various states through its diverse programs. Its technical and operational capabilities have engaged government bodies, international and national philanthropic agencies, and private entities to address a wide range of health issues, including reproductive health, maternal health, child health, non-communicable diseases, communicable diseases, HIV/AIDS, and nutrition.
